2 VOLUME DISCOUNTS

Keep on **underwear only**: AJ, Charlie, Sassy, Flo Dance. Same-product, not cross-product.

2 5% off ENTRY INCENTIVE	3 10% off SWEET SPOT	5+ 15% off LOYALTY REWARD
---	---	--

- **Remove** Ruby Bikini Bottom volume discount — only 6% buy 3+, seasonal purchase, customers won't notice
- **Do not extend** to swim, one-pieces, or bras — data doesn't support multi-buy in those categories
- **Add to Brooke Bra** — 3+ years of data, 29% already buy 2+, 8% buy 3+. Same tiers as underwear.
- **Future:** Consider adding to Ava Seamless Bra once more sales data exists (launched Sep 2025)

3 BUNDLES

Current Active Bundles — Re-price

BUNDLE	CONTENTS	CURRENT	NEW PRICE	SAVINGS
Bikini Set	1 bottom + 1 top, pick colors	\$71	\$79	\$11 (12%)
Matching Set	1 underwear + 1 bra, pick colors	\$58	\$65	\$9 (12%)
Shaping Bundle	3 AJ + 1 bikini	\$103	\$119	\$25 (17%)

Delete Draft

- ✗ Swim Bundle (Sky + 2 bikini bottoms) — never launched, 0.6% buy this combo

Bundles on hold — needs further work. New bundles (Everyday 3-Pack, renamed Matching Set) and Shaping Bundle UX fix (mixed colors) are blocked pending resolution of youth pricing implications. Fixed bundle prices conflict with youth sizes 4-11 being held at lower prices — e.g. a \$85 3-pack could cost more than 3 kids items bought individually. Need to determine approach before creating or modifying bundles.
